

It's that time of year again!

On Sunday, September 19th, 2010, the Richard Family will be holding their 2nd Annual Joubert Syndrome Foundation/Isabella Richard Golf Scramble and Benefit. Proceeds raised from this event will be donated to the Joubert Syndrome Foundation (JSF) to help further research and to assist the Richard Family in purchasing a much needed handicap accessible van.

What is Joubert Syndrome?

Joubert Syndrome (JS) is a rare, genetic disorder that affects the area of the brain that controls balance and coordination. To date, there are only approximately 650 known cases in the world. As you can imagine, with something so rare, learning and understanding JS can be quite difficult. Please visit <http://www.joubertsyndrome.org> to find out more about JS and how you can help.

Isabella Richard:

Isabella (Bella to those who know her) is an energetic, happy, endearing 7 yr. old child. Even though she is limited physically, that does not hold her back from doing the things that kids her age like to do. She enjoys watching Sponge-Bob, iCarly and Dora the Explorer. She enjoys playing "house" with her Barbie's and loves listening to all kinds of music. Her infectious smile will warm your heart and remind all of us how wonderful life can be, even for those with disabilities.

In August of 2008, we received a power-chair. This has helped give Bella a sense of independence. Bella and some of her friends play in Challenger Baseball league, where she uses her power-chair to circle the bases and play in the field. By purchasing a special van equipped with a ramp we will not be limited as to where we can take Bella and her power-chair. She truly enjoys going places where she can have mobility and independence, rather than mom or dad pushing her in her stroller.

We ask that you please join us for a fun-filled afternoon of golf, dinner and companionship. Your support is greatly appreciated!

God Bless!
The Richard Family
(Dennis, Balinda, Annika, Seth and Bella)
